FRATERNAL ORDER OF EAGLES

AERIE 190 303 WEIRICH BLVD NW MASSILLON, OHIO

FROM THE DESK OF THE WORTHY PRESIDENT

My brothers, as we start a new year there is something I want to bring to your attention. I have been approached by a significant number of our brother eagles concerning our growing membership and the inadequate grill room facilities to accommodate them. We have all experienced the frustration of having to stand 3 deep at the bar during some of our social functions. It is at the behest of these members that I, as president, will in the near future, be appointing a committee to study the feasibility of expanding the bar area in our grillroom. This is not something that we can do without considering all of the ramifications. We have to consider the impact, if any, on our restaurant and buffet room sales. We also have to consider whether we can financially afford any such changes. We are still paying off a loan for our roofing problems and we are going to have to have significant electrical work done which will be expensive. The committee I appoint will have to consider all of the above facts plus any other unforeseen hurdles. The committee will only be empowered to study any changes in the grill room and to report to the membership periodically on the pros and cons of such a move. It may be do-able, or it may not. The final say-so will be by the membership after we present them with all the facts. I am asking any of our members who have a working knowledge or a construction background in this area to volunteer to serve on the committee. I, as president, will appoint a chairman for this committee and together he and I will pick the rest of the committee from the volunteers. To those of you who have expressed a desire to be active in our aerie activities this is your chance. If you want to serve please submit your name and phone number to me. Like I said before, this is an exploratory committee and any final decision will be by a floor vote of the membership.

Fraternally yours, Robert Fockler Worthy President

TRUSTEES' MESSAGE

As 2013 year is coming to a close, we the Trustees of the FOE 190 Aerie wanted to advise our members of the building renovations & major purchases that have taken place this year at our FOE 190 Aerie:

The banquet room walls had all of the wallpaper removed and repainted. The banquet room men's and ladies rooms were repainted. The banquet room had new molding installed around the base of the floor. The banquet room floor was stripped and re-waxed. The banquet room dividers were repaired, painted and kick plates installed. A new popcorn machine was installed in the social room for our members. A new ice machine was installed. A new roof was put on our facility.

On another note, the Woman's Auxiliary Christmas Party, the Children's Christmas Party, and our Christmas Eve big give away was a success with many members and kids attending.

Don't forget about the annual super bowl party at the club that will occur on Sunday February 02, 2014. Details will be posted on our bulletin board at a later date.

As always, don't forget all of our food specials in the grill room. Come out and support your club. We the Trustees of FOE 190 Aerie want to wish all of your families a "Happy New Year".

A Word From the Auxiliary Secretary

Hello sisters: I hope you all had a very Merry Christmas. I want to wish you all a safe, healthy, and happy new year. Our Christmas dinner on December 10th was a huge success. If you did not attend, you surely did miss a good time. Ron Sinay, along with his helper, Al Crissey, did a great job on the cooking and the men servers and bartenders did a fabulous job. The auxiliary cannot thank you men enough for your generosity. Our spaghetti dinners will resume on Sunday, January 26th 2014, 3p.m. til??? Dinner is \$6.00, dessert \$1.00. As of this date i still have 39 sisters who have not paid their yearly dues. On January 14th 2014 at midnight these sisters will be dropped as members. When you are signing up a new sister, I need \$15.00 attached to the application. There are interview sheets behind the bar. Ask the bar steward for one and interview the new applicant at the same time that you are signing her up. Attach this sheet to the application & put it in my mailbox behind the bar. By doing this the new applicant can become a member after her two {2} readings on the floor & the vote is

taken. Sometimes we are 1 to 2 weeks trying to reach this person by phone to arrange this interview. By doing this small gesture your new applicant becomes a member in a shorter amount of time. Remember our sisters who are confined to their homes, in a nursing home, or maybe she is just not feeling too well. A telephone call or a card can sometimes perform a small miracle. Happy Valentine 's Day.
